

Hard Luck Woman, D. Wooley
Cotton States Music Publishing, BMI

Hard luck woman, only kind of woman I can find.
Hard luck woman, bad things happen to her all the time.
When you got a hard luck woman, makes you two of a kind.

Hard luck woman, only kind of woman I can find,
Hard luck woman, keeps me worried all the time,
First she loses all her money, then she helps me lose all of mine.

Instrumental break;

Well I got a hard luck woman, stays in the bars till closing time,
Hard luck woman, gonna drive me out of your mind.
First she loses all her money, then she helps me lose all of mine.

When you got a hard luck woman, it makes you two of a kind.
